

Minimize the Cost Growth of Major Defense Acquisition Programs to No Greater Than 1% Annually

Reduce Wholesale Logistics Response Time to 18 Days by FY 00

Annual Logistics Response Times (LRT) for DoD

Note:

1) Logistics Response Time is the elapsed time from customer requisition to receipt of material ordered from the DoD wholesale system.

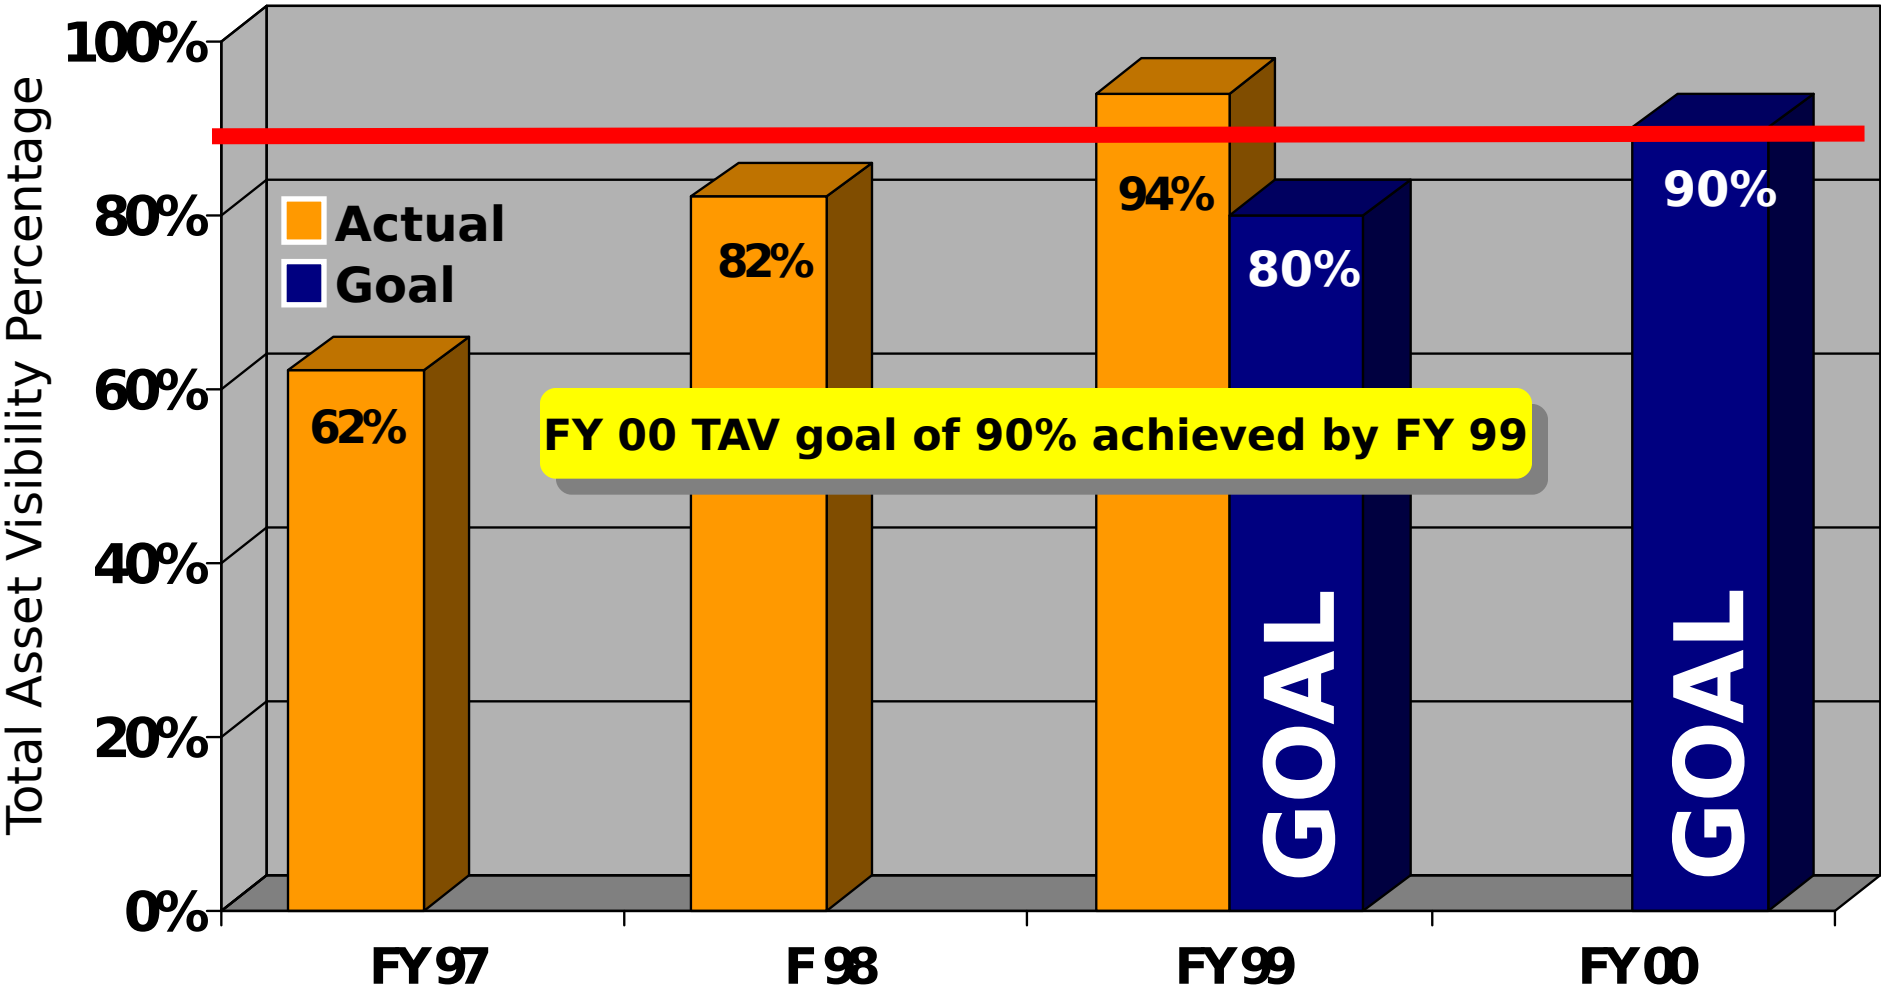

2) FY 2000 DoD Logistics Strategic Plan establishes Customer Wait Time (CWT) as the new DoD logistics metric in development.
